Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant respectfully submits this Supplemental Information Disclosure Statement to cite references that became known to applicant as a result of a Decision to Grant from the Russian Patent Office, related to the prosecution of a corresponding Russian patent application. This Decision to Grant by the Russian Patent Office, dated December 19, 2008, cites four references, namely one U.S. patent; Great Britain Patent 954342; German Patent 3638802; and RU Patent 211152 C1.

The U.S. reference is already of record. The next three references, GB '342, DE '802, and RU '152 are listed on the accompanying Form PTO/SB/08a. Applicant has also listed

references are enclosed. No English translation is within the possession, custody, or control of applicant, nor readily available to applicant. Nonetheless, the copies of the cited references DE '802 and RU '152 include an English language Abstract, which supplies a concise explanation of the relevance of the reference. Moreover, the English translation of the Decision to Grant indicates that none of these references, whether alone or in combination, defeated the patentability of the corresponding Russian application.

Applicant respectfully requests that these references be considered and made of record in this file. Applicant respectfully asserts that a \$180 fee is being paid via credit card. If any additional fee is necessary to complete this communication, the Commissioner should consider this to be a request for such and should charge any necessary fees to Deposit Account No. 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
